Dear Brethren,

We hope all is well. It has been a very busy last two weeks here in East Tennessee. As you may know Hurricane Helene wrecked havoc on Florida, Tennessee and North Carolina. Unicoi county, Greene County, Johnson County and Carter County in Tennessee all suffered devastation. Where we live in Unicoi county the south side is pretty much gone. The hospital, business, homes and life were all lost in the flood. There was 33 people missing in Unicoi county. There have been seven death thus far. They are still doing search and rescue in our area and are having to deliver supplies to people without power and water by horseback, four wheelers and helicopters. The area churches are also working hard to help supply those who are in need.

Sherry and I are doing fine. We were without power and water for awhile but everything in our area is back to normal as much as it can be. Our daughter and her family had to stay with us for a week because they had no water in Greene county. Please continue to pray for the people in this area along with the first responders.

Please continue to pray for us and the work at the Tri Cities School of Preaching. You are an answer to our prayers. Thank you for your support and may God continue to bless you.

In His Service
