Dear Brethren,

Hope all is well. We are now starting our winter quarter. The fall quarter ended early because of the flooding in our area. With all the devastation in our area we ended school three weeks early so the students could go out and help people in the communities that were affected by the floods. People are now getting to go back to their homes. There are also thirty families that are being housed at local camps because they lost everything. Please continue to pray for these families and the recovery efforts of these communities in East Tennessee.

Sherry and I are doing fine. Sherry has had some more procedures done on her legs to fix circulation problems. She is still scheduled to see a surgeon in Atlanta in February for her Lipedema. She also has recovered from a minor surgery she had last month on her ears. Please continue to pray for her in the upcoming doctor visits.

We are looking forward to the holiday season. We hope everyone will have a happy and joyous Thanksgiving.

We want to thank you so much for the support that you send us as we labor here at the school. You are an answer to our prayers.

In His Service  
Jeff Johnson
