Dear Brethren,

Hope all is well. We hope that everyone had a great thanksgiving holiday. We enjoyed our time with family. It has already started snowing here in the mountains. We have already had two snows totaling 4 to 6 inches each. Not a good sign for the winter to come.

The students are doing good. In a couple of weeks they will be out again for the Christmas Holiday and New Year holiday. Some of them will travel back home and some will stay in the area.

Sherry and I are doing good. We will be traveling in January to Lebanon Tennessee to visit with one of her doctors. We are still scheduled in February to visit a Lipedema surgeon in Atlanta.

Recovery flood efforts are still ongoing. There are 30 families in Unicoi County that are without housing. These families were provided temporary housing at a local Christian camp. With supplies and money that was gathered by congregations, the Lord's Church has been able to help some of those families with housing, food, clothing and necessities. Thank you for your prayers and support on behalf of the flood victims in our area.

We want to thank you so much for the support that you send us as we labor here at the school. You are an answer to our prayers.

In His Service
Jeff Johnson
