Dear Brethren,

Hope all is well. The new quarter has started and the new students seem to be settling in well. Our lectureship starts on April 6<sup>th</sup> through April 9<sup>th</sup>. All of our students, with the exception of the new students, will be speaking on our lectureship. Our theme this year is "Jesus Christ the Center of the bible." If you can make it to our lectureship we would love to see you.

Sherry was scheduled to meet with the surgeon in Atlanta on February 5<sup>th</sup>. She has had this appointment for one year. We find out one week before going to Atlanta that our insurance will not cover an out of State doctor/surgeon. So, now we are back to Vanderbilt on the 18<sup>th</sup> of February to meet with a new doctor/surgeon. Hopefully he will be able to perform the surgeries that Sherry needs. There is only one surgeon in Tennessee that does this type of surgery and he is the one, so hopefully everything will work out. Other than that, she has been doing fine. We ask for you to continue praying for Sherry, myself and the doctors.

We want to thank you so much for the support that you send us as we labor here at the school. You are an answer to our prayers.

In His Service  
Jeff Johnson
